The History of the Pines

The Pines began as a vision, which steadily shaped itself into reality through the dedication of avid golfers, filling the void left by Morgantown Country Club's closure. Pro designer, Edmund Alt, was engaged to lay out the 18-hole championship course, and carefully crafted its contours around the beautiful rolling hills of West Virginia.

Incorporated as a private club in 1968, it opened officially to shareholders in 1970, and to this day is considered the best golfing experience in the Morgantown area. In addition to its course, The Pines offers a driving range and putting green, a winter simulator, heated swimming pool, clubhouse facilities with lockers and showers and a retail pro shop.

The Golf Course

The Pines Country Club's 18-hole championship course has consistently been one of West Virginia's most remarkable golfing experiences. With lush greens, diverse golf leagues, and unparalleled course upkeep, you'll find The Pines Country Club to be a natural gathering place for friends, family and business associates.

The 6,700-yard layout is surrounded by the beauty of Morgantown's rolling hills and mountains. The course has been honored to host the LPGA's Future's Tour and numerous WVGA Championship events. The five sets of tees offer a challenge for golfers of every age and ability, including junior tee markers to make it fun for the entire family. A million-dollar bunker renovation has restored every hole to postcard perfection. Our greens are smooth and fast. Whether you are a competitive golfer or new to the game, The Pines Country Club will always offer you Morgantown's most remarkable golfing experience.

Honorary Life
Membership Award**

Pictured: Jen Daniels, WVU Medicine, Senior Accountant and Volunteer and Lesley Klishis, WVU Hospitals Volunteer and Friends of WVU Hospitals Board Member at the 1st Annual event last year.

Lesley Ann Klishis 1946-2023

On June 20, 2023, our friend and fellow board member Lesley Klishis, passed away unexpectedly. She was a beloved wife, mother, grandmother, teacher and volunteer. After retiring from teaching, she spent over 20 years volunteering at WVU Hospitals and the Rosenbaum Family House because she loved helping others in any way she could. She was a life member of Friends of WVU Hospitals and served on the board as a member of the Fundraising and Outreach Committee. She was Volunteer of the Year in 2017 and accumulated over 3,500 hours of volunteer service. To honor our friend, we are renaming our annual life membership award, The Lesley Klishis Honorary Life Membership Award. She was soft spoken with a good soul and a kind heart. We miss her dearly. Rest in peace friend.

The mission of Friends shall be to render service to West Virginia University Hospitals (WVUH) and its patients and assist WVUH in promoting the health and welfare of the community in accordance with charitable purpose. Friends will 1) volunteer service in the Hospital, 2) provide activities for fundraising, and 3) promote public relations.
